Tanglewood Tales

Hundreds of years ago when the great Tanglewood Forest spread across the land, and humans could walk freely between this world and that of the fairies, there lived a mischievous little faun and two kind hearted pixies...

Let Faustus the faun and his two sidekicks tell you the story of Butterball and the Troll, Anansi, The Swamp Prince, and many more.

This delightful theatre show brings to life lesser known folk tales from around the world by combining storytelling, dance and puppetry. Suitable for ages 3 to 11.

Professor Octavia's Magical Menagerie

Roll up and gather 'round! Professor Octavia's Magical Menagerie is about to begin! She has seen the sunsets of the Serengeti, traversed the trails of the tropics, and been awed by the Aurora Borealis; and now it is your turn to experience the magic for yourself.

Let us introduce to you new and exciting animals from around the world. Audiences will have the chance to interact with some unusual creatures, including the naughty little jackalope and a woman made entirely of ice. After the show, children are invited to meet the animals in a petting zoo style experience.

Combining live actors and puppetry, this unique and interactive show is suitable for families with children between ages 7 and 11.

The Lost Luggage Adventures

With so many boxes and suitcases to sort through, how on Earth will Tee and Gee ever find missing suitcase number 000001? Maybe you can help them!

Hundreds of forgotten suitcases pass through the Sprinkle Dinkle International Airport each day, and it's Tee and Gee's job to sort them. Each suitcase has a story to tell, so pick one and discover a magical world hidden within.

This children's theatre show with enchanting puppetry, and scenery popping out of every box will delight audiences. Suitable for ages 3 - 7.

Fairy Tale Walkabout Puppets

Legend has it that a long time ago this land and that of the fairies were much closer. They say that the magical creatures of the other world could walk between this one and theirs. If YOU believe in fairies, be sure to keep your eyes open!

Our life sized puppets, each with their own personality and fairy tale look will explore your event: singing, dancing and interacting with guests.

Post Haste - The Festival Post Office

The unicorn-riding posties from Post Haste will be delivering your hand-made letters to anyone you so desire at the festival. The post office is open daily, and there you can decorate postcards and write letters.

Writing a letter to someone you met at the festival? No problem! Tell us what they were wearing, what stall they work at, or what they performed and our hard-working posties will gallop away to find them!

Or maybe you want to write a letter to your future self to cheer them up once festival season has ended? In that case, we'll take the letter home and post it once the weather gets glum.
